Software Developer

I am a creative and result-oriented full-stack web developer with a passion for learning. My communication, patience, and ability to synthesize and pass on information is rooted in my previous experience as an elementary school educator and manager. I strive to create efficient, effective, and innovative solutions to complex problems.

Skills

Experience

General Assembly | Austin, TX

Software Engineering Immersive Student, July 2020 - October 2020

Three-month, 500-hour full-time and full-stack program conducted in a remote setting, providing experience with the latest front- and back-end programming languages, tools, and methodologies including: HTML, CSS, SASS, Javascript, jQuery, PostgreSQL, MongoDB, Ruby, Ruby on Rails, AngularJS, NodeJS, ReactJS, Wordpress, Git, Github, and Agile/Scrum.

Developed a portfolio of individually and collaboratively focused in-class projects, including:

- [CONNECT IV](#)- Javascript based browser version of the classic game, with a Roman theme
- [Swim-Hole](#)- Express app which allows users to find and track their favorite swimming locations
- [SneakerHEADz](#)- Python/Django based app for sneaker collectors to share their collections

Mariposa Montessori School | Austin, TX

Elementary Guide, August 2018 - August 2020

- Provided a consistent and pleasant environment for children aged 6-9.
- Planned and coordinated successful community events for 200+ families.
- Successfully guided children through challenges, both educational and emotional.

Texas Parks and Wildlife Department | Houston, TX and Austin, TX

Outdoor Recreation Coordinator, June 2016 - August 2018

- Assisted and co-lead Texas Outdoor Family Programs in Texas State Parks.
- Conducted award-winning outdoor education programs including camping, fishing, hiking, kayaking, geocaching, biking, and outdoor cooking.
- Planned and conducted outreach events on behalf of Texas State Parks; spoke with over 2,000 stakeholders about Texas State Parks between June and August.

Austin Montessori School | Austin, TX

Elementary Assistant, August 2014 – May 2016 (Full time)

- Engaged children with indoor and outdoor exploration activities at their individual level of learning and development.
- Planned and facilitated learning activities for groups of ten to fifteen children, aged 6-11.
- Prepared classroom environment, materials, equipment and menus.
- Shared and communicated observations and reflections on children's experience.

Education

B.S. in Fisheries and Wildlife Sciences | Oregon State University

Software Engineering Immersive | General Assembly Austin
